

## **alpha-En Corp to Present at the Sidoti & Company Fall 2018 Conference on September 27<sup>th</sup> at the Grand Hyatt in New York City**

**YONKERS, NY, September 25th, 2018** -- alpha-En Corp (OTCQB:ALPE), an innovative clean technology company focused on enabling next generation battery technologies by developing and bringing to market high purity lithium metal and associated products produced in a cost effective and environmentally sustainable manner, will be presenting at this fall's Sidoti conference on September 27th at 3:15 pm in New York City, New York.

The Sidoti Conference is an exclusive event for investors who specialize in small and microcap stocks. It is an opportunity to be introduced to and speak with management at some of the most attractive small companies, learn from various expert panels, and mingle with other microcap investors.

The Conference will take place in New York City at the Grand Hyatt on September 27<sup>th</sup> and 28<sup>th</sup>. These days will be jam-packed with company presentations, 1-on-1 meetings, roundtables, expert panel discussions, and plenty of time to network with other investors over food and drinks.

alpha-En Executive Chairman Jerome Feldman and Prof. Steve O'Brien, Managing Director of Science, will host the presentation followed by a question and answer period.
